Dear Sir:

Re: [REDACTED] and [REDACTED] et al. F.L.D. No. 117 of 2006

Further to your correspondence dated June 22, 2006, we are pleased to advise your office that our client's have indeed carried out their role in the paternity testing process, having been in with the child early last week. We trust that this is satisfactory and satisfies your inquiry.

Yours truly,
