Dear Sir:

RE: [redacted] v. [redacted] et al
F.L.D. No. 117 of 2006
Our file: 131.01

It has come to my attention that you have been exchanging written correspondences with counsel for the adoptive parents, but have neglected to copy such to counsel for the other parties involved in your client's Petition. I trust this was a mere oversight and not an attempt to perform some "end run" around such other counsel which of course would raise certain ethical concerns.

In the future, I suggest you copy all counsel involved in this proceeding with all correspondence, which would obviate the need for you to make judgment calls regarding relevance. I will do the same and invite all other counsel to do the same.

In the meantime, I request you to forward to this office any and all correspondence to other counsel in this matter, that has not yet been so forwarded.

Thank you.

Yours truly,
