Dear Sir/Madam:

**RE: Application for Certificate
Our File No. 2132.1**

Please be advised that our office represents ██████████, who is named on the enclosed application as the father of the child. We have also enclosed a recent order by the Family Law Division of the Court of Queen's Bench naming ██████████ as the father. We wish to rectify the Certificate of Live Birth by including the natural father's name.

The care of this child changed the day after it was born. This "adoption" or transfer of care was arranged prior to the child's birth, and we are unsure of which name the mother would have listed the baby under. The current caregivers of the child have given him the name ██████████ ██████████, the mother, may have may known this and registered the child under that name or simply given the child her last name and an alternate first name of which we are unaware.

We believe the birth date of the child to be ██████████, 2006. However, we are unsure if that is the exact date of the child's birth.

Should you have any questions or require anything further please do not hesitate to contact our office.

Yours truly,

ROE & COMPANY
