I have yours of September 20, for reply. To our knowledge our client has no criminal record. We expect to in the near future have a home study which we can share with you which may assist in this regard.

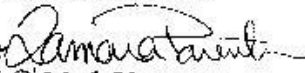

Regarding media attention, the writer has seen the Star Phoenix story but did not hear the radio interview. We are uncertain what statements you attributed to our client you are identifying as untrue. Our client's principal concern is that care of the child may have been transferred from the mother on the authority of an officer of Montreal Lake Band I. C. F. S. (who may have been in a conflict of interest given her relationship to the mother and the child) despite our client having made numerous inquires with D. C. R., R. U. H. and others in an attempt to alert all concerned that he was indeed the father of the child, and that he had an interest in the placement of the child. We would suggest that media attention is understandable in the circumstances.

Finally, please provide our office with any documentation in your possession regarding the transfer of the care of ██████████ (identified as Baby Doe in the above-noted matter,

born at R.U.H. on or about [REDACTED] from his mother, [REDACTED], to your clients,  
[REDACTED] and [REDACTED].

Yours truly,
