Dear Mr. Vanstone,

Re: [REDACTED] and [REDACTED] et al. F.L.D. No. 117 of 2006

Further to our earlier conversations concerning learning more about your client, I am wondering if he has a criminal record or any involvement in the criminal justice system. Our clients are interested in learning more about him. Please advise, with specifics.

On another note, we must advise that we have seen the story in The Star Phoenix (last Saturday) and heard that your client was on the John Gormley Show (yesterday). We must admit that we are very concerned with your client's outlandish comments and blatant untruths. Much of what he is saying is very simply completely untrue. His media appearances are not helping matters, including the potential of an amicable resolution, and seem clearly to be very inappropriate. We are not interested in participating in "the circus". We are interested to know if you are able to so advise him and to assist in putting an end to the silliness. We are reviewing this matter further, and civil action against him for some of these untrue statements is a possibility. We look forward to hearing from you.

Yours truly,

ARNOT HEFFERNAN BLENNER-HASSETT
