Dear Mr. Vanstone:

RE: [REDACTED] v. [REDACTED]  
 Your File No: 2132.1

Further to your letter of September 21, 2006, the legislation that we referred to in our last correspondence applies regardless of any declaration of paternity. Perhaps if you would get the consent of all of the parties involved in this matter to disclosure of health information regarding the health records at Royal University Hospital, such disclosure could be accommodated.

Yours truly,

*Evert Van Olst*
