Dear Mr. Vanstone,

Re: ██████████ and ██████████ et al, F.L.D. No. 117 of 2006

Now that your client has been declared the biological father of Baby ██████████ and wishes to be involved in his life, it would seem clear that Mr. ██████████ is obligated to pay child support to the custodial parents for the care and support of Baby ██████████. This would seem to be a positive step for your client if he is serious about Baby ██████████'s well being. We kindly ask that you would forward to us the appropriate financial information concerning your client's annual income and confirm that he will commence child support payments for Baby ██████████ forthwith. We trust that this is satisfactory and look for your prompt response on this matter.

Yours truly,
ARNOT HEFFERNAN BLENNER-HASSETT
