Dear Sir:

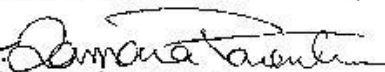

RE: ██████████ v. ██████████ et al
Our File No. 2132.1
Your File No. 44241

Further to yours of today's date, regarding supervised access, we look forward to hearing from you concerning available dates for the upcoming visit next week. We suggest that an arrangement be made for the same day each week to minimize confusion. Our client prefers the afternoon time slot (1:00 p.m. to 2:00 p.m.) because of the travel time involved. After a few visits, we can review.

Regarding yours of the same date under separate cover, it seems the October 4 Chambers appearance was your opportunity to raise that issue. As an aside, your request seems somewhat at odds with the tenor of your clients' materials, not to mention your remarks in court that your clients intend to seek adoption of the child by way of dispensing with paternal consent. If, however, you are of the view that your request has merit, you are welcome to motion our client.

Yours truly,

ROE & COMPANY
