Dear Mark:

Re: [REDACTED] and [REDACTED] et al. F.L.D. No. 117 of 2006

It has come to our attention that your client has been sending certain communications between counsel and also select Affidavit material to the Media, in addition to making inflammatory and unhelpful allegations, accusations, and commentaries. As we have expressed to you previously, this is not in anyone's best interest and is entirely unacceptable and certainly unappreciated. This matter is before the Court and will be decided by the Court and your client's arguing the case in the Media is entirely regrettable. Please regain some semblance of control over your client's conduct and assist in stabilizing this important matter. Your efforts are greatly appreciated. May we please hear from you?

Best Wishes and Yours truly,  
**ARNOT HEFFERNAN, BLENNER-HASSETT**
