Dear Sir:

Re: [REDACTED] and [REDACTED] et al, F.L.D. No. 117 of 2006

Please be advised that our clients are attending the Children's Haven this morning to make the Baby available for a visit by your client. If this morning is not going to work for your client, kindly advise us at your very earliest opportunity when he would like to have his visitation. As previously expressed, mornings are better for the Baby's schedule, and the Haven typically schedules infant visitation for the morning over the afternoon. Thus, we suggest Monday or Thursday morning. However, we wish to be entirely clear that we are open to the time that is best for your client, even if it has to be a Monday or Thursday afternoon. Please advise.

Yours truly,
ARNOT HEFFERNAN BLENNER-HASSETT
