Dear Sir:

Re: [REDACTED] and [REDACTED] et al, F.L.D. No. 117 of 2006

We understood that your client was very eager to commence weekly visitation. We have not heard from you further on this issue. When your client decides when he would like to have the visit scheduled, please contact us, with as much lead time as possible. Which day of the week and which time of the day can we make this work? We have taken all steps possible with the Haven to facilitate the visit. We understand that the Children's Haven is now awaiting your client's decision and suggested first visitation slot. We leave this matter with you and await your response.

Yours truly,
ARNOT HEFFERNAN BLENNER-HASSETT
