Dear Sir:

RE: [REDACTED] v. [REDACTED] et al
Our File No. 2132.1
Your File No. 44214
FLD No. 117 of 2006
Trial Date: December 18, 2006

Please have your clients carefully consider a voluntary return of the child to his father before Christmas, in which case we would abandon our claim for costs. In consideration of your clients' consenting to full custody of the child in our client's favour, we would agree to reasonable access on your client's part, to be determined if your clients agree in principle to return the child.

We trust you have made your clients aware that in the event our client's claims prevail, your clients may be ordered to pay court costs exceeding \$10,000.00. In this event their assets could be vulnerable to execution, seizure and the like.

Doubtless your clients have reviewed the recent judgment of the Court, and understand that the momentum in the case appears to be swinging in favour of our client. With this in mind, we invite your clients to give serious thought to our client's offer.

Yours truly,

ROE & COMPANY
